

MANUFACTURER & EXPORTER

Raw & Finished
Agricultural Goods

Welcome to Our Products Catalog

At Native of Natural Company, we take pride in offering a diverse range of pure, natural, and authentic products under our trusted brand Organic Indus. Since 2022, we have been committed to delivering the finest agricultural raw and finished materials to meet the needs of customers across various industries.

Our catalog showcases carefully selected products that bring together tradition, quality, and nature's goodness:

About Us

Founded in 2022, **Native of Natural** Company is the proud owner of the brand **Organic Indus**, a name dedicated to purity, authenticity, and sustainability. With a strong foundation in agriculture and plant sciences, we bring nature's finest offerings to households and industries around the world.

We specialize in **Spices & Masala, Herbs & Extracts, Oils & Oil Seeds, and Tea & Infusions**, ensuring every product reflects our commitment to quality and natural wellness. Our products are carefully sourced, processed, and packaged to retain their original aroma, flavor, and therapeutic properties.

At Native of Natural, we believe in combining traditional wisdom with modern standards. **Our mission is to make natural, safe, and effective products easily accessible**, while supporting sustainable agriculture and empowering farming communities.

About Us

In 2022, Native of Natural was founded by young entrepreneur Rahul with a vision to bring the richness of Indian spices, oils, herbs, and more to the world. Headquartered in Ahmedabad, Gujarat, a vibrant city in the western part of India, the company embarked on its journey as a tiger in the realm of manufacturing and exporting.

Why Choose Us?

- **Quality Assurance:** Our products undergo rigorous quality control, from sourcing to production.
- **Authenticity:** We prioritize sourcing the finest raw materials directly from India.
- **Customization:** We offer tailor-made products to meet specific customer needs.
- **Competitive Pricing:** Enjoy high-quality products at competitive rates.
- **Reliable Service:** We prioritize timely deliveries and excellent customer support.

Our commitment to quality and customer satisfaction has made us a preferred choice for businesses worldwide. Let Native of Natural be your partner in bringing authentic Indian flavors to your products.
